SHORT SUMMARY

B.Tech student specializing in Artificial Intelligence and Machine Learning. Passionate about data analysis, machine learning, and NLP. Seeking opportunities to apply knowledge and contribute to real-world projects.

EDUCATION

- **Akhilesh Das Gupta Institute of Professional Studies** 2022 – 2025
Artificial Intelligence and Machine Learning
- **Guru Nanak Dev Institute of Technology** 2019 – 2022 (**Grade: 81%**)
Computer Engineering

SKILLS

Programming Language: Python

Machine Learning: Supervised & Unsupervised Learning, Classification, Regression, Model Evaluation

Natural Language Processing: Text Processing, Sentiment Analysis

Data Analysis: Pandas, NumPy, Data Visualization (Matplotlib, Seaborn)

Tools & Frameworks: Scikit-learn, NLTK, Streamlit

PROJECTS

- **Email Spam Classification** 🔄
 - Developed an ML-based email spam classifier using NLP techniques and supervised learning.
 - Applied text preprocessing (tokenization, stopword removal, lemmatization, TF-IDF) and metadata extraction for improved accuracy.
 - Compared Multinomial Naïve Bayes and XGBoost classifiers, evaluating performance using accuracy, precision, and confusion matrix.
 - Built an interactive Streamlit web app for real-time email classification with visual feedback.
 - **Technologies Used:** Python, Scikit-learn, XGBoost, NLTK, Streamlit, Pandas, NumPy, TfidfVectorizer.
- **Pokémon Comparison Tool** 🔄
 - Developed a Streamlit web app to compare Pokémon based on in-game stats with an interactive UI.
 - Implemented fuzzy string matching to handle misspelled or partial Pokémon names.
 - Integrated Tenor API to fetch Pokémon battle GIFs for a more engaging experience.
 - Enhanced comparison accuracy by doubling stats for Legendary Pokémon.
 - **Technologies Used:** Python, Streamlit, Pandas, NumPy, FuzzyWuzzy, Requests API.

INTERNSHIP EXPERIENCE

IBM EDUNET

6 Weeks Internship

Worked on sentiment analysis of restaurant reviews, focusing on data preprocessing, text analysis, and classification to determine customer sentiment

LANGUAGES

- **English:** Intermediate
- **Hindi:** Native
